Assignee hereby disclaims, except as provided below, the terminal part of any patent granted on the '681 Patent Application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. §154 to §156 and §173, and as the term of said prior patent is presently shortened by any terminal disclaimer, of U.S. Patent No. 6,625,881. Assignee hereby agrees that any patent so granted on the '681 Patent Application shall be enforceable only for and during such period that it and the '881 Patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the Grantee, its successors or assigns.
